SPORT AND EXERCISE PHYSICIANS

# 2025 ANNUAL ACSEP SCIENTIFIC CONFERENCE

## Sponsorship & Trade Prospectus

# Be part of the movement!

We invite you to join us for an elite opportunity to connect, engage, and elevate your presence in the world of Sport and Exercise Medicine.

In November 2025, the Australasian College of Sport and Exercise Physicians (ACSEP) will host its prestigious three-day Scientific Conference on the world-famous Gold Coast.

With around 300 Sport and Exercise Physicians in attendance, this event provides the ideal platform to increase your brand's visibility, establish key connections, and drive new business opportunities.

A distinguished lineup of global and local experts will share modern insights into SEM, while interactive symposia and hands-on workshops will provide valuable learning experiences. Emerging and established researchers will present the latest advancements in clinical sport and exercise medicine, sports science, sports injury prevention and treatment techniques, plus physical activity and health promotion.

But it's more than just knowledge-sharing—our dynamic social program ensures you'll have plenty of opportunities to connect with delegates, foster relationships, and expand your business network in an engaging setting.

# Why sponsor?

The ACSEP 2025 Annual Scientific Conference presents a unique opportunity to position your organisation as a leader in Australia and New Zealand's Sport and Exercise Medicine community. With a highly engaged audience of decision-makers and industry stakeholders, this is your chance to showcase your products, innovations, and expertise to those shaping the future of the field.

Leading up to the conference, a significant portion of ACSEP's communications will focus on the event and its partners, ensuring widespread exposure across our extensive network. On-site, we have specifically designed our trade exhibition layout to maximise foot traffic, fostering meaningful delegate interaction and driving high-quality sales leads.

Sponsorship opportunities include conference sponsorships, exhibition space, and activity partnerships, providing tailored options to meet your business objectives. Whether you're looking to enhance brand awareness, build relationships, or generate new business, this is the premier platform to achieve your goals.

Be seen, be heard, be involved. Secure your sponsorship now for 13–15 November 2025.

“

I ENGAGED WITH MEDICAL STAFF FROM KEY FOOTBALL TEAMS, CRICKET TEAMS AND ALSO RESEARCHERS OF VARIOUS UNIVERSITIES THAT WE MAY BE ABLE TO COLLABORATE WITH IN THE FUTURE.”

## We look forward to welcoming you!

Warm regards,

**The ACSEP Conference Team**

# About the ACSEP

**The ACSEP is the professional body representing sport and exercise physicians in both Australia and New Zealand.**

Sport and Exercise Physicians are committed to excellence in the practice of medicine as it applies to all aspects of physical activity. Safe and effective sporting performance at all levels is a major focus.

Alongside this is the increasing recognition of the importance of exercise in the prevention and treatment of common and often serious medical conditions, such as arthritis, heart disease, diabetes, many cancers and mental illness.

Exercise has increasingly been shown to supplement traditional measures such as rest, medication and surgery, often with less reliance on these in the treatment of many chronic health conditions. It can certainly help improve recovery and in turn, long term outcomes.

The ACSEP will continue to uphold and advance world leading training and practice in the specialty of Sport and Exercise Medicine. We are perfectly positioned to lead and promote the incorporation of exercise and physical activity into the daily lives of all members of the community, whether healthy or unwell. We will continue to work closely with our peak sporting bodies and teams, medical and allied health colleagues, as well as the greater community to keep us all active and healthy.
